25. heinäkuuta 2021

This is the review of all vocabularies that appear in various texts, namely [1], in my attempt to master Swedish, once and for all.

*I thank my employer!

This is the self-review made by me using the language T_EX written by Donald Knuth with L^AT_EX as its successor in implementation. The documentation for this review comes from exam.cls made by Philip Hirschhorn.

Name: _____

Year of birth: _____

Fill in the correct Swedish word (EngToSwe1, pronunciation)

en arm	en hand	en katt	ett glas	ett par	en tomat
