This is the review of all vocabularies that appear in various texts; namely [1], [2]; in my attempt to master Swedish, once and for all.

---

\*I thank my employer!

This is the self-review made by me using the language T<sub>E</sub>X written by Donald Knuth with L<sup>A</sup>T<sub>E</sub>X as its successor in implementation. The documentation for this review comes from exam.cls made by Philip Hirschhorn.
